"How's My Hearing?" James 1:19-25; John 10
From Sunday's message on March 2, 2025

Why is it much easier to speak than to listen?

What does James 3 tell me about the tongue? In what ways have I found these things to be true?

In Proverbs 18 what does Solomon say about listening and speaking?

In John 10 what do the sheep do as they listen to the shepherd? Why would this be so important for the sheep?

How is the Good Shepherd (Jesus Christ) described in John 10? How does this encourage and comfort me?

What are some key truths I have gleaned from James 1:19-25?

In what ways can I improve my listening to God and to others?

How does knowing God hears me help me with my listening?
